I, Lonnie Lawson, HEREBY CERTIFY that the attached documents listed and described below are true and correct copies of border crossing information collected and maintained in U.S. Customs and Border Protection's (CBP) TECS system in the ordinary course of CBP business, and that I am the Custodian of Records for TECS.

Based on my responsibilities and duties and information made available to me by my staff and other knowledgeable CBP personnel in the course of performing my duties and responsibilities, I have knowledge about TECS, its use by CBP, and the relevant record-keeping practices of CBP as it relates to TECS. My position affords me with the ability to access data recorded and maintained in TECS.

A search for border crossing information collected by CBP and maintained in TECS for Tamerlan Tsarnaev, date of birth 10/21/1986, was performed. The date range queried was from 1/21/2012 through 7/17/12. The results of the query are reflected in the attached pages numbered CBP 000001 – CBP 000003.

Certain information in such documents has been redacted to remove sensitive personal identifying information (PII) of other third parties, sensitive internal security codes, and/or proprietary data.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
