**NARRATIVE**

On 4/18/13 Cambridge police units responded to an armed robbery of the [REDACTED] convenience Store, [REDACTED] Massachusetts Avenue.

On 4/18/13 I, Officer Photopoulos, while assigned to patrol car 4R responded to [REDACTED] Massachusetts Avenue for a report of an armed robbery. Upon arrival I spoke with reporting party and cashier [REDACTED]. [REDACTED] stated that at approx. 10:30pm a white or Hispanic male came into the store, came to her register and asked her if she could break a dollar and give her four quarters. According to [REDACTED] when she opened up the register to exchange the money the man pulled a gun from inside his coat or waistband, and casually pointed it in the area of the register, and told her to give him the money. [REDACTED] stated that the gun was small and silver. According to [REDACTED] the male was most likely in his 30's, was w [REDACTED]. She described him as being very similar to myself in size (approx. 5'11" 200lbs) [REDACTED] stated that she gave the man approx. 3 twenty dollar bills, 10 ten dollar bills, 5 five dollar bills, and an unknown amount of ones. After giving him the money she stated that the man left the store and fled in an unknown direction.

I went to the back room to view the video footage of the incident in order to better relay a description to units. The footage, time stamped approx. 23:29 hours, showed a white or Hispanic male, approx 5'11", 200lbs, [REDACTED]

[REDACTED] I note that when I checked the clock on the computer system it was approx. one hour ahead of the actual time, hence the reason the time stamp on the surveillance video is an hour after the reported time of the robbery.

[REDACTED] will retain any and all videos for review.
